A person is shown from the chest up, covering their eyes with both hands. The scene is very dark, with only the person's face and hands illuminated. VIHA

A wide-angle photograph of a busy outdoor public space, likely a park or plaza. In the foreground, a dirt ground is populated by a single pigeon on the left and a tortoiseshell cat walking towards the right. In the middle ground, two women are seated on a low stone wall. The woman on the left is wearing a grey top and white pants, while the woman on the right is wearing a striped shirt and dark pants. They have coffee cups and a small plate of food on the wall in front of them. The background is filled with many other people sitting on similar stone benches, some talking, some looking at their phones, and others walking. There are trees and a stone wall in the distance. A semi-transparent white banner with a thin black border is overlaid across the middle of the image, containing the word "MUILLE" in a bold, black, sans-serif font.

VOKABULÄÄRI

A night photograph of a classical building facade. A bright light source, possibly a projector or spotlight, is mounted on the roof, casting a powerful beam of light downwards. The beam illuminates the top of the building and creates a strong contrast against the dark sky. The building's facade features classical architectural elements, including a pediment with decorative carvings and two windows with white frames. A white rectangular text box is overlaid in the center of the image, containing the text "KOULUPELKO" in a bold, black, sans-serif font.

A photograph of the Alhambra courtyard in Granada, Spain, viewed from a balcony. The courtyard is a lush green space with meticulously manicured hedges forming geometric patterns. Several orange trees are scattered throughout, some bearing ripe fruit. In the background, a building with arched windows and a bench is visible. A fountain with a tiered basin is on the right. The view is framed by the ornate stone railing of the balcony.
