RECEIVE OFFICIAL MAIL EASILY AS ELECTRONIC MAIL

Suomi.fi Messages is your electronic mailbox for messages you receive from public authorities.

**DIGITAL AND POPULATION
DATA SERVICES AGENCY**

ELECTRONIC MESSAGES FROM PUBLIC AUTHORITIES EASILY AND SAFELY

When you use Suomi.fi Messages, you can access mail from the authorities digitally in an easy and safe manner.

With Suomi.fi Messages, important mail from public authorities reaches you immediately wherever you are – at home, at your summer house or travelling.

You can start using Suomi.fi Messages when you

- identify yourself in an e-service of a public administration organisation
- download the Suomi.fi mobile application
- activate the service at suomi.fi/messages.

You will be notified of a new message in Suomi.fi Messages by email, in a notification to the mobile application or when you identify yourself in an e-service of a public administration organisation.

HOW YOU WILL BENEFIT FROM SUOMI.FI MESSAGES:

- You will receive messages sent by several different authorities electronically in the same service.
- The messages will reach you quickly wherever you are.
- You will have a fully secure communication channel for using the authorities' services.
- By switching from paper mail to electronic communication, you will also help save the environment.

HOW TO ACTIVATE SUOMI.FI MESSAGES:

- Download the Suomi.fi mobile application from the app store or go to www.suomi.fi/messages.
- Select "Identification".
- Identify yourself in the service using bank identification codes or a mobile certificate.
- Give your consent to electronic communication, provide your email address and start using the service.
- Instructions for using the service: <https://suomi.fi/en/messages>.
