----------------	---------------------------------------

The Population Information System contains the personal data of Finnish citizens and foreign citizens residing in Finland. In addition to personal data, the system also contains information on properties, buildings and apartment blocks. The information kept in the System is maintained by the Digital and Population Data Services Agency and the State Department of Åland.

Return the form to the Digital and Population Data Services Agency
Contact information: www.dvv.fi/en/contact.
Residents of Åland must return the form to the State Department of Åland.
